Mr. P. R. Subba Rao has been very liberally dealt with. He applied for 8 months leave under the M. S. R. ordinary rules to go to England to specialise in Ophthalmology, and as a special case the study leave rules which were sanctioned to have effect from 1926-6 were extended to him - He was, besides, given a loan of 3000 without interest, repayable in instalments after return to Mysore -

In the circumstances, I do not think that any further concession than what was sanctioned in the GO of 19th Dec. 1924 need be granted -

It was then brought to the notice of Govt. that by the Royal College of Physicians insisted on Mr. Subba Rao possessing a qualification registerable in England, there would be an additional cost of £ 32-17-0.

As this contingency is stated to have happened, and as Mr. Subba Rao has had to incur this expenditure, this extra grant may be allowed -

Nothing more is possible -

The Senior Surgeon may be asked to point out the source for meeting the charge -

Sir,

I have the honour to forward herewith, for favour of early orders, a copy of an application from Assistant Surgeon Mr. P. R. Subba Rao, now in England, bringing to notice that the cost of the course of studies for the D.O.M.S.(Eng.) comes to £62-9-6 as detailed in the margin against the estimated sum of £53-11-0, sanctioned in Government Order No. L. 4459-60 Med. 25-24-10, dated 19th December 1924, and requesting sanction to the increased amount and arrangements for remitting the tuition fee of £44-12-6 early and the application and registration fees later on.

Composition fee for the entire Course	...	£ 44-12-6
Application fees	...	£ 12-12-0
Registration fee	...	£ 5-5-0
Total	...	£62-9-6.

2. The revised estimate of cost which is based on the latest printed Prospectus of the Royal Ophthalmic Hospital, London, and sanction thereto seems, therefore, to be inevitable. But I can not help observing that it was the duty of the Assistant Surgeon to have obtained accurate information in the first instance and submitting the same to Government instead of giving an inaccurate statement for a smaller amount and causing embarrassment to Government. I would therefore recommend that all amount in excess of the original estimate sanctioned in Government Order No.L.4459-60 Med.25-24-10, dated 19th December 1924, that will be actually spent on his -

foreign training be treated as a loan to be repaid by him according to rules on his return from England.

3. As no provision was made in the current year's Budget for meeting the cost of the grant of study leave to officers, I am informing the Assistant Surgeon that arrangements will be made with the Comptroller for the payment of the whole amount to him on or after 1st July 1925 so that it may be adjusted towards the provision which has been made in the draft Budget estimate for the next official year. As the College authorities seem to be willing to give him time by reason of his being a scholar deputed by this Government, he is not likely to be inconvenienced. In the event of his being compelled to pay the fees earlier, he should make his own arrangements therefor.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Application dated 30th April 1925 from Mr. P. R.Subba Rao, Assistant Surgeon on deputation in England (112 Gover's Street, Indian Students Union, London, W.C. 1,)to the Senior Surgeon in Mysore, Bangalore.

In continuation with my last letter dated about 21st instant, I have the honour to submit that I came over to London on the 21st instant and joined the Moorefields Eye Hospitals on the 22nd instt.

I beg to submit that a sum of £53-11-0 was estimated and sanctioned by the Government for the D.O.M.S. course of London in Government Order No. L. 4459-60 Med. 25-24-10, dated 19th December 1924. I herein enclose a copy of the prospectus of the Hospital for your kind perusal and beg to point out that the course of study costs £ 44-12-6 (vide page 14) excluding the application fee of £ 12-12-0 and the registration fee of £5-5-0.

I have not paid any fee now. On my representation to the Secretary of the Hospital that I am deputed by my Government to study for D.O.M.S. and that I might be kindly permitted to attend the Hospital and take the necessary courses, subject to the payment of the fee as soon as it is received from the Government. I am allowed to attend the necessary classes and to work in the Hospital.

I therefore request you to be good enough to arrange with the Government for thearly remittance of the sum of £44-12-6 only and to favour me with a reply by return mail as to when I am likely to expect the amount, so that I might satisfy the Secretary of the Hospital, in case he insists on early payment. The application fee of £ 12-12-0 and the registration fee £5-5-0 may be paid later on.

Sir,

With reference to your office reminder No.G.8171, dated 6t April 1926, for an explanation of the delay in submitting a reply to your letter No.G.7124-Med.25-24-42, dated 5th March 1926, I have the honor to state that the orders conveyed in your letter of 5th March 1926, were duly communicated to Mr. P.R.Subba Rao by that week's mail, i.e, on 9th March 1926 and it is not yet time to expect his reply. A reminder has, however, been arranged to be sent by this week's mail and a report will be submitted to Government as soon as his reply is received.

From his letter dated 18th March 1926, it is seen that he had arranged to leave for Vienna on the 19th March 1926, to take a three months' course in certain institutions in that City and it is just likely that he may not be able to furnish a correct account "of the fees, etc, actually paid by the officer for the several courses of his studies" (vide. your letter No.L.1057-Med.25-24-36, dated 14th August 1925) till he has actually sat for the final examination for the D.O.M.S.(London) in July next, on the completion of which he is due to return. In these circumstances I solicit instructions if a full account of the fees, etc, paid by him may not be taken from him after he sits for the final examination or as ~~xx~~ soon as he returns to India.

Sir,

With reference to the correspondence ending with your letter No.C.2197-9[illegible] of 24-25 dated the 8th November 1926 about the claim of Mr.B.R.Subba Rao, Assistant Surgeon for t.a. etc alleged to be due to him, I am directed to state that it was brought to the notice of Government in your letter No.C.99-12 dated the 10th December 1924 that if the Royal College of Physicians insisted on Mr.Subba Rao possessing a qualification registerable in England there would be an additional expenditure of £32-17-0 and Government ~~are accordingly of opinion~~ consider that nothing, beyond this amount, can be paid to Mr.Subba Rao.

I am accordingly to request you to be so good as to point out the source from which the additional sum, if any, still due to Mr.Subba Rao, can be met ~~from~~ out of the current year's grant to the Medical Deptt.

I have etc.,

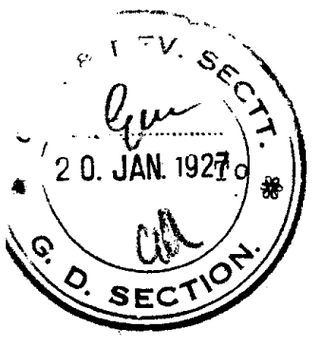
From

Dr. B. Mahomed Usmon, L.M.S.,
Senior Surgeon with the Government of
H.H. the Maharaja of Mysore, Bangalore.



The General Secretary
to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

In forwarding herewith a copy of Comptroller's letter No.421(Loans), dated 30th November 1926, furnishing the ~~Local~~ Loan Account for £412-9-6, cabled to Assistant Surgeon Mr. P.R.Subba Rao during his stay in England, and the representation of the latter as to the amount that has to be treated as recoverable loan, I have the honour to stat as follows:

By Government Order No.L.3489-91/Med. 25-24-6, dated 8th November 1924, Mr. P.R.Subba Rao was given the benefit of the study leave rules issued with Government Order No. 635-85/C.B. 59-24-1, dated 10th September 1924 and a loan of £300/- without interest was also sanctioned to him. As required by the Government Order of 8th November 1924, information regarding the course of studies to be undertake by the Assistant Surgeon and an estimate of the cost thereof was submitted to Government and the same was sanctioned by Government in their order No.L.4459-60/Med. 25-24-10, dated 19th December 1924. It will be seen from this estimate that the course in Ophthalmology alone was estimated to cost £53/11 and if a registerable qualification was necessary before he could commence his Ophthalmic course, it would entail an additional expenditure of £32/17 to enable him to obtain the L.R.C.P. & S of Edinburgh. The total estimated cost of his studies was thus £86/8.

After going to England, Mr. Subba Rao reported that the actual cost of the L.R.C.P. & S. course came to £42/12 and this was sanc-

sanctioned in Government Order No.L.6623-24/Med.25-24-22, dated 18th March 1925, the mode of adjustment being left for future orders. Later on Mr. Subba Rao reported that the actual cost of the D.O.M.S.. course would be £62-9-6, against £53/11 estimated by him before leaving for England. This revised estimate was sanctioned in Government Order No.L.188-9/Med.25-24-32, dated 9th July 1925. In para 2 of this Government Order a report was required as to how much if any, of the whole amount cabled to the Assistant Surgeon should be treated as a loan. It is on this Government Order that the Comptroller now requires definite orders.

The total amount paid to Mr. Subba Rao is £412-9-6 of which, £350/- alone, being the loan granted to him is requested by the officer to be treated as repayable by him and the balance of £62-9-6, treated as cost of tuition and other fees, the grant of which is admissible under the study leave rules. The original estimate of cost of the D.O.M.S. course as accepted in the Government Order of 19th December 1924 being £53/11, the excess of £8-18-6 together with the cable charges of Rs.32-8-0 may be added to the loan of £350/- making altogether £358-18-6 and Rs.32-8-0 which is to be treated as the amount repayable by the Assistant Surgeon. The rate of instalments at which the repayment has to be made may also be kindly fixed.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Senior Surgeon.

Letter dated Nil, from Assistant Surgeon Mr. P.R.Subba Rao, to the Senior Surgeon with the Government of Mysore, Bangalore.

In submitting herewith for favour of obtaining the kind sanction of Government, my travelling allowance bill for the journey from London to Edinburgh and on to Glasgow and back to London, I have the honor to state that I had to obtain a registerable qualification of Great Britain before I could be admitted to the special course for D.O.M.S. for which I had been deputed by Government.

I arrived in London early in February 1925 and had to make enquiries at the Royal College of Physcians as to the necessity or otherwise of my taking a British Registerable qualification and on being informed that I had to do so, I left for Edinburgh about the 15th February and appeared for the LRCP of Edinburgh in April and as the next examination for L.R.C.S. was held in Glasgow, I had to proceed thither in July following to complete the Conjoint Board examination. Then I returned to London to prosecute my studies for the D.O.M.S.

It will be seen that I had hardly 1½ months' time before me for the Conjoint Examination and so I had to take up only Medicine and Midwifery at Edinburgh by the date of Examination in April and had to proceed to Glasgow for Surgery in July 1925, as these Conjoint Examinations are held alternately at Edinburgh and Glasgow.

In these circumstances, the journeys were necessary in the interests of the special study for which I had been sent and the actual cost of the journeys, which is admissible under the study leave Rules, may kindly be sanctioned to me. ~~This has not been included in the account already submitted by me~~. This has not been included in the account already submitted by me, under the impression that claim for travelling allowance had to be preferred only on prescribed form and as the order calling upon me to submit account of expenditure specifically men-
